PURPOSE OF THIS FORM

Sales to certain nonprofit organizations and governmental units described in 1 and 2 below are exempt from Wisconsin sales or use tax. So that retailers can identify these organizations that qualify for this exemption, the department issues the organization or governmental unit a Certificate of Exempt Status (CES) number. This application should be completed by the following to obtain a CES number:

1. Organizations, including youth organizations, organized and operated exclusively for religious, educational, scientific, or charitable purposes, or for the prevention of cruelty to children or animals.

2. Federal and Wisconsin governmental units. Governmental units of other countries and states will not be issued a CES.

Examples of organizations that do not qualify for a CES number are civic organizations, chambers of commerce, business or union organizations, fraternal or recreational groups, professional societies, social clubs, and veteran organizations and their auxiliaries. Purchases made by these organizations will be subject to Wisconsin sales and use tax unless some other exemption applies.

GENERAL INSTRUCTIONS FOR COMPLETING THIS FORM

1. **Nonprofit Organizations:** Check the box in line 5 that best describes your organization.

2. **Governmental Units:** A CES number will be issued to the government unit level holding the Federal Employer Identification Number (FEIN) for the unit. In lieu of providing suppliers with a CES number, a Wisconsin Sales and Use Tax Exemption Certificate (Form S-211) or a purchase order identifying the governmental unit as purchaser may be provided.

3. **Required Documentation:** Organizations applying for a CES, except governmental units, should submit copies of the following documentation along with their application:
   a. Articles of incorporation or bylaws.
   b. Statement of receipts (income) and disbursements (expenses) for their last accounting period.
   c. Federal Internal Revenue Service (IRS) determination letter.

4. **Seller’s Permit:** A nonprofit organization or Wisconsin governmental unit is required to charge Wisconsin sales tax on retail sales of tangible personal property or taxable services, unless the sales qualify as exempt occasional sales or are otherwise exempt.

   A nonprofit organization or Wisconsin governmental unit shall meet all of the following standards for its sales to qualify as exempt occasional sales:
   a. The organization is not engaged in a trade or business.
   b. Entertainment is not involved for which an admission is charged.
   c. The organization does not have or is not required to have a Wisconsin seller’s permit.

   A nonprofit organization or Wisconsin governmental unit is not engaged in a business or trade if it meets one of the following:
   a. Its sales of otherwise taxable tangible personal property or services or its events occur on 20 days or less in a calendar year; or
   b. Its taxable gross receipts for the calendar year are $25,000 or less.
