

WISCONSIN ASSOCIATION OF AGRICULTURE EDUCATORS

Request for Special Needs Accommodations for Career and Leadership Development Events

The following information is required if there is a student that plans to participate in a Wisconsin FFA Career Development or Leadership Development Event and wishes to request an accommodation. Please submit a form for each CDE/LDE area in which special accommodations are being requested.

Please complete the following information and submit the form (either electronically or on paper) three weeks prior to the CDE/LDE competition date. This information will be kept strictly confidential and will be used only to process services for participants needing special needs assistance or other accommodations. WAAE may request further documentation upon receipt of this application.

Accommodations requesting physical assistance from an aide will be approved by WAAE, but the school will be expected to provide the aide on the day of the CDE/LDE.
