Wisconsin FFA Advisors

The countdown clock is moving faster as we approach the end of the school year and the 95th Wisconsin FFA State Convention! The work being done to prepare for this major celebration involves not only state staff, but a number of volunteers and FFA advisors that help prepare everything from decorations to the script. There are many moving parts and it takes a village to make it all come together. Thank you to all of the individuals who are helping to make this an amazing event!

As you finish up the school year and prepare to leave your classroom for the summer take time to reflect on the year you had and give yourself some well deserved credit for the difference you made in your student's lives. Sometimes it's the little things that can make the biggest impact on someone. You have influenced so many young people in a positive way and that is what makes teaching an incredible career. That is something to feel proud of!

This is an exciting time of the year for FFA Advisors and FFA members as awards are announced and preparations are made to compete in State FFA Events. If you have any questions as you prepare for the State FFA Convention please contact any of the state staff.

IMPORTANT DELEGATE BUSINESS REMINDERS

Chapter voting delegates are an important part of the 95th Wisconsin FFA Convention. The **delegate schedule is very different this year**. Make sure to review all the information on the State Convention Website - Under [Delegate Information](#).

The Delegate Committee Meetings, Business Session and State Officer Election Process **will all take place on Wednesday morning June 12..** We have very important items for our Convention Delegates to consider related to State FFA Degree Requirements and the Realignment of Districts/Sections along with the other items on the agenda.

Your chapter is allowed two voting delegates and they need to be registered online. If you forgot to add your delegates make sure to do that before online registration closes.

Click on each of the items below to review the information with your delegates as well as the Delegate Videos prior to arriving at State Convention.

1. [Delegate Schedule](#)
2. [Delegate Business Session Agenda](#)
3. [Minutes from the 2023 Delegate Business Session](#)
4. [Delegate Proposals - Constitutional Amendments and Realignment Proposal](#)
5. [2024-2025 Proposed Wisconsin Association of FFA Budget](#)
6. [Delegate Committee Work](#)

Lastly, please remind the delegates how important their role is. Not only do they have a large impact on who serves as a state officer for their section; they also are the voice for over 25,000 FFA members in Wisconsin. In this ever changing time, their input is important as Wisconsin FFA looks to the future of our organization. Encourage delegates to ask questions as we are there to support them throughout the process. Informed delegates are key to this process.

If you have any questions, please contact Mary Schrieber, State President (mschrieber@wisconsinffa.org), Henry Koerner, State Parliamentarian (hkoerner@wisconsinffa.org) or any of your State Staff. We are looking forward to seeing you all soon in Madison!
