Meet Your State Officer

Hello Section 10!

My Name is Alyssa Schauer and I am honored to be serving Section 10 as the 2024-2025 Wisconsin State FFA Sentinel. I am originally from the East Troy FFA, and am currently attending the University of Wisconsin - River Falls studying Agricultural Education. I hope to someday become an agriculture teacher in Wisconsin!

My journey in agriculture started with my family's love for wildlife. I love all things outdoors and animals. Through FFA, I was able to expand my knowledge of agriculture by hearing from others about their agricultural stories and paths, and I am excited to get to know all of your stories throughout the year! While in FFA, I was given the opportunity to develop an SAE in beekeeping and honey production. I also advocated for issues related to beekeeping in competitions such as Agricultural Issues. These activities only increased my passion for teaching agriculture, which helped me find my place in the agricultural industry. I hope to serve as a guide to help you all along your FFA journeys and beyond!

If you have any questions or just want to chat, please reach out! I would love to hear from you! I look forward to connecting with you all!

I look forward to meeting you all!

Summer In Review

Base Camp Training and Checkpoint #1

Right after state convention, the team traveled to Marshfield for Base Camp, to learn about team dynamics and more! The team traveled back to Marshfield later in the summer to continue our training in speech and workshop development!

WAAE Conference

The team headed to Oshkosh for the Wisconsin Association of Agriculture Educators Conference later in June, where we connected with amazing teachers from across the state! We also met with leaders in FFA to get to know the organization better.

State Officer Summit

In July, the team flew out to Washington, D.C. to meet with other state officers from around the country and learn about advocacy. We also visited with legislators and representatives to advocate in action!

Wisconsin State Fair

Over the 11 days of the Wisconsin State Fair, the officer team advocated for agriculture in the Discovery Barnyard! We led a pollination station to teach about pollinators and their importance. We also enjoyed our free time spent exploring the fairgrounds with FFA members!

Farm Technology Days

At Farm Technology days, we worked a safety booth, teaching about grain bin, ATV/UTV, and underground utilities safety! We visited with FFA sponsors, networked with industry leaders, and enjoyed playing volleyball as a team in our free time!

Jag Lake Officer Retreat

On our last days of summer the team traveled to the Wisconsin FFA camp, Jag Lake! We worked on finalizing and preparing for the exciting year to come, while also enjoying some recreational activities. We also had some team bonding activities, and showed off our cooking skills!
