State Officer Update

Hello Section 10!

As we are well into the school year, we have had many adventures so far! From Fall Leadership Workshops and F.I.R.E. Conferences, to Chapter Visits, I have enjoyed getting to know you all and am looking forward to future experiences we share!

Through this year's adventures, I have had the opportunity to hear some truly amazing stories and look forward to hearing even more. I also look forward to our upcoming events together - Chapter Visits, Conferences, and Banquets! Bring the energy as we continue throughout our year! Make memories, embrace the experiences, and learn to lift up others. This year of adventures is going by quickly, so be sure to keep up the determination and passion!

There are several months left in the school year, but things are flying by! Remember to reach out at anytime! I would love to hear from each of you! I look forward to connecting with you all!

See you all soon!

Recent Adventures

Fall Leadership Workshops

During three weeks in September and October, the team and I traveled to all 10 sections, visiting different agricultural businesses and holding Fall Leadership Workshops, where we were able to connect with members from across the state!

World Dairy Expo

The team attended World Dairy Expo on FFA Day, October 3rd. We networked with several industry leaders, met with the American Farm Bureau President, and facilitated a workshop on networking within the Expo!

F.F.R.E. Conferences

Throughout the first weeks in October, the team and I had the privilege to connect with 5th-9th grade members! Abel and I presented a "Gathering your Resources" workshop, which highlighted FFA history and its importance!

National Convention

The team and I had a wonderful opportunity to serve as National Delegates, representing over 1 million FFA members. We had an amazing time watching Wisconsin FFA members and all of their high achievements on stage. We wrapped up the week watching one of Section 10's own, Mary Schrieber, get elected as the National Central Region Vice President!

Connect & I am Conferences

At the National Leadership Conferences, the team had an opportunity to build relationships with FFA members throughout the state! We also enjoyed Celebrating Mary's return to Wisconsin during the dance with a Q&A session!

CTSO Days

During Career and Technical Student Organization Days, the team and I advocated for the importance of all of our CTSOs, including FFA, FBLA, HOSA, Skills USA, DECA, and FCCLA. We also met with the state officers from each of these organizations before meeting with state legislators.
