Retirement Announcement

After a memorable 5-year tenure at WAAE, the time has come for me to retire. While I am eager to embark on the next chapter with my husband, I know I will miss you all. I love my job with WAAE and have learned so much about our state and its phenomenal agricultural educators.

Over the 5 years I spent with WAAE we have done work we can all be proud of. None of this would have been possible without such dedicated and talented people by my side. You've all taught me something along the way.

Thank you!

Kathy Hartmann-Breunig
