Meet The State Officer

Hello Section 3!

My name is Jazmin Wagner and it is an honor to be serving you this year as your Wisconsin State FFA Secretary! I was raised on a small organic dairy farm. Graduating from Melrose-Mindoro High School in 2023 and currently I am a sophomore at UW-River Falls with a major in biology. I plan to pursue a career with animals in the future.

During my time in FFA I have always enjoyed hearing and learning about everyone's stories and how their FFA journey started. I also loved to compete and participate in events like CDE's, LDE's and loco community events. These events have allowed me to express what I love and make so many great connections with FFA members! My SAE consist of Dairy Production Placement and Equine Eunturpurnership. Outside of FFA I love to show dairy cattle my horses and enjoy the outdoors.

I am beyond ecstatic to be meeting with all of you throughout this year as we share our FFA journey but learn about others journeys as well! Hearing your stories and traveling around the state is only the beginning of this amazing adventure.

See you on The Next Wild Adventure!

Jazmin Wagner

Summer Recap

Base Camp Training

Our first week together! We spent the time in Marshfield learning about one another and preparing for the year!

WAAE

WAAE Conference was a week spent with advisors that we will see throughout the year within our section, we spent more time training as a team and even decided on our themes for the year!

Checkpoint #1

Back to Marshfield! Checkpoint 1 is another training that focuses on workshop and speech preparation and layouts getting ready for chapter visits, conferences and FLW's!

Northern Golf Outing

During this day event we got the opportunity to speak with many supporters and partners that sponsor the FFA Organization. Many great connections and conversations!

Summer Recap

State Officer Summit

FFA is truly a beautiful organization, I learned so many things on this trip. Meeting other state officers, being in DC for the first time, and working with the National FFA Officers!

WI State Fair

The State Fair is always a great time. We worked the discovery barn, ate way too much food, and enjoyed educating the next generation and having great conversation with FFA members!

Farm Technology Days

Farmers, FFA members, and partners all in one place at one time! We worked the Progressive Agricultural Safety Days. Also visited many different supporters of the FFA and their booths!

Jag Lake

Jag Lake is a great time for the team, to bond, work on upcoming events and plan for the year ahead! While enjoying campfires, swimming and activities!

Upcoming Events

Chapter Visits!

I am very excited to be visiting everyone's chapters this year, and any additional events in the area! I have sent out a link with all the information for Advisors to fill out, reminder to get these in as soon as possible so we can schedule a day that works! Please reach out with any questions!
