# State Officer Update

Hey Y'all It's Spring!

What an amazing journey this has been! I want to express the immense joy, adventure, and excitement this journey has brought me. This year has been an absolute honor, and it truly would not have been the same without each and every one of you.

Some of my most cherished experiences were the chapter visits and conferences, where I had the privilege of connecting with many of you individually. Your passion, dedication, and drive to learn more have been a constant source of inspiration.

I'm not one for goodbyes, so it's a good thing this isn't a farewell message. This is merely the closing of this Wild Adventure. Where the next one will take us? Who knows! Just know that I am never too far, and you all have given me a home right here.

Section 3, you have truly been an inspiration to me. Thank you for the memories, the lessons, and the unwavering support.

Thank you Section 3 for this Wild Adventure!

## *F7RE Conference*

This is an opportunity for 5th-9th grade members to better understand their place in FFA and what opportunities are out there. This was a TWO day conference that took place at Southwest Technical College in February!

## *Sectional LDE*

Members competing at the Sectional level must have placed top 2 at the district level. Those who place 1<sup>st</sup> in Sectionals move on to the State Competition. Many speaking, teamwork and communication skills are gained during these events!

## *EDGE/Connect Conference*

EDGE and Connect conferences are for Middle and High School members to learn how to become leaders within their chapters! This two-day conference is jam packed with many sessions with National Facilitators and even a themed dance!

## *UW-River Falls Ag Day on Campus*

A few of my teammates and I got to attend UW-River Falls Ag Day, which included many booths about different clubs and a series of panels we got to enjoy. Jescey had the opportunity to speak on one of the panels!

## *Career Development Events*

CDE's are a great hands-on learning experience for members to explore more about career fields. This is a competition held in the spring with events like Ag Mechanics, Floriculture to even Wildlife! I ran into the La Crosse FFA Chapter during lunch that day!

## *Ag Discovery Day*

We traveled down to Milwaukee to the State Fair Grounds and ran a station to teach 1<sup>st</sup> graders how to grow seed to healthy plant. There was so much energy, and it was a great way for us to interact and teach to the Milwaukee community

# Member of the Month

## March

Jacob has stood out in FFA through his dedication, willingness to help others, and active participation in various events. He is a member of the Blair-Taylor FFA Chapter and has an SAE in Dairy Placement. Jacob's passion and commitment have inspired others to get involved, while his own personal achievements have set a strong example for his peers.

## April

Gwenne is the epitome of Living To Serve. She is someone that any can trust to get many different projects that the Kickapoo FFA are working on in their FFA Chapter. Gwenne is in her second year as an FFA officer and is currently serving as the Kickapoo FFA Vice President this year. Gwenne has been an ambassador for the Kickapoo FFA.

# Congratulations to All! Way to Turn It Up in FFA this year!
