STATE OFFICER UPDATE!!!

Y'all, these past couple of months have been a blast and there's so much to catch up on after our first edition of this newsletter! I've met so many amazing FFA members and learned about their future pathways, which show their passion for this organization! This year is going by pretty fast, but I haven't forgotten one moment yet. I'm super excited for the next couple of months and how many more memories we will make.

Thank you all for your amazing support, your kind words, our laughs and smiles together, and most importantly, the impact we've made in our recognizable corduroy jacket. As always, keep being you and stay true to yourselves because you are amazing.

Yours truly,

Cheyenne Johnson - WI FFA Section 5 State Vice President

TEAM UPDATES

FALL LEADERSHIP WORKSHOPS

My team and I got the pleasure of traveling around the state of Wisconsin to facilitate workshops and meet all of the amazing members in our state! We also got some tours of businesses to learn more about industrial agriculture!

FIRE CONFERENCES

We had the pleasure of hosting more workshops for 5th-9th grade members to learn more about the FFA and what it has to offer for them! And trust me, lots of line dancing was involved!

WORLD DAIRY EXPO

We had the pleasure of attending the World Dairy Expo in Madison, WI! We got to meet some partners, watch FFA members compete in Dairy events, and explore the expo!

TEAM UPDATES

NATIONAL CONVENTION

Our team had the best time at this year's National FFA Convention by participating as delegates, cheering for Wisconsin FFA members on stage, and watching our very own Mary Schreiber get elected into National Office!

I AM / CONNECT

Even though we didn't facilitate at this conference, it was the perfect opportunity to bond with FFA members while participating in some very informational workshops National FFA puts on for us! Don't forget the 70s/80s dance party!!!

CHAPTER VISITS

My chapter visits have been so much fun this year, and I cannot wait to attend more! Every chapter is so unique, and I love the energy you all bring to your classroom! Keep up the amazing work and I cannot wait to visit the rest!
