# Meet Your Section Eight State Officer...

Dear Section VIII,

Hello everyone! My Name is Taylor Maroszek and I am honored to be serving as the 2024-2025 Wisconsin FFA State Reporter! I hail from the Pulaski FFA Chapter in Section 8 and am currently attending Northeast Wisconsin Technical College, studying Photography and Graphic Design. My career goal is to continue working on the farm while operating a successful livestock photography and design business. My agriculture and FFA journey started at a very young age. I grew up on my family farm where we raise and show beef cattle, pigs, sheep, and goats. My FFA journey began in sixth grade when I attended my first chapter meeting. I became more involved in various activities including middle school quiz bowl, FFA conferences, and state convention. I fell in love with the FFA organization and continued with that passion throughout high school, taking as many opportunities to network, make connections and grow myself and chapter. I am so excited to see what this year has in store! I am so excited to interact with you all throughout this year and see what you are passionate about in and out of the FFA! I am always open if you have questions or even to chat!

Yours truly,

*Taylor Maroszek*
