SAUK CITY; WIS. – This year the 2021 WAAE Organizational Relations Award was presented to Fox Valley Technical College. The award was presented at the 2020-2021 WAAE Professional Development Conference held June 27-29, 2021 in La Crosse, WI.

The Organizational Relations Award recognizes an organization that contributes to the overall success of WAAE. It recognizes positive service provided to WAAE on the state level for their dedication and contributions to agriculture and agricultural education through their funding and sponsorships as well as providing educational materials that are used extensively throughout the state.

This year's recipient is Fox Valley Technical College. Fox Valley Technical College (FVTC) is one of the 16 Technical Colleges located in Wisconsin with FVTC located in Appleton. The Agriculture Department offers over 21 different degree, technical diploma and certificate programs. The Ag Department at FVTC had many active members of WAAE. FVTC has hosted many regional FFA CDE events and has had several staff members that have served on the WAAE Board. Last year during the COVID outbreak the FVTC Agriculture Department and the Center for Instructional Excellence teamed up to develop the online version of last year's

WAAE Conference held 100% virtually. We cannot thank them enough for their generosity and willingness to work with WAAE during those trying times.

*WAAE is the professional association for agricultural educators in Wisconsin. Members include 410 middle school, high school, technical college and university educators. The focus of the association is to provide professional development, legislative support and educational resources for teachers to enhance their local agriculture education programs.*

*For more information about your local agriculture education program and to find out how you can support agriculture in your community, please contact your local agriculture education instructor or visit [www.waae.com](http://www.waae.com).*
