

**2021 Fall Leadership Workshops HOST SCHOOL COVID Guidelines
AS OF SATURDAY, SEPTEMBER 18, 2021**

NOTE: We will continue to update these as needed. Please be aware that guidelines could change.

Section 1 – Flambeau

Masks Optional

Hand Sanitizing- To be provided so students could apply some before entering each room. Also hand sanitizer at both the registration table and refreshments area.

Rusk County Public Health handles any contact tracing.

If there were to be a positive case that we were contacted about after the event, we could go from there on contacting individuals.

Section 2 – Mondovi

Mask Policy: Masks are highly recommended. Mondovi High will have sanitizer bottles that each student can use before and after they leave each room. If Mondovi gets notified of a positive case, Ms. White will email all of the schools that had students in attendance.

Section 3 – Cochrane-Fountain City

Cochrane-Fountain City school is requiring masks and it doesn't look like that is changing anytime soon.

Section 4 – River Valley

Section 5 – Marshall

Masks will be required of all visitors while in the building.

Section 6 – Adams-Friendship

Masks are recommend (only required on buses and in Elementary as of yesterday). FLW guests will enter the Fine Arts Center to avoid cross contamination with students (dismissal is at 3:30). We will open registration a little early to help avoid the 3:30 dismissal/bus mess. Sanitizing stations are available in each room.

Section 7 – Spencer

Following their district wide plan with masking optional and sanitizing.

Section 8 – Pulaski

Masks are strongly recommended. There are hand sanitizing stations that everyone should use as they enter and leave a room - we call it wash in and wash out. We will be able to rotate through classrooms with only the addition of the above protocols. We will most likely not be tracing and quarantining students for close contact by the end of the month. If we learn of a positive case Mr. Santy will most likely simply email all of the schools that attended.

Section 9 – Denmark

Following their district wide plan with masking recommended and sanitizing.

Section 10 – Big Foot
