

# Mapping Our Journey

## 2022 FIRE Conference Workshop Titles and Descriptions

### **Stops Along the Way**

**Devani Hinkelmann & Evan Mennen**

Throughout our time as FFA members we will discover landmarks along the way. During this workshop, we will explore the FFA landmarks of opportunities that we can stop at throughout our FFA journey.

### **Captain of Our Quest**

**Casey Denk & Brooke Casey**

During long adventures, captains are in charge of guiding their ships. They ensure their passengers are safe and headed in the right direction. Over the course of our FFA career, we can develop into the captains of our own quest. We have the ability to influence and guide members around us, helping build our FFA chapters and leadership skills.

### **Wisconsin FFA AGmazing Race**

**Isaac Hopke & Mary Schrieber**

Members will continue their AGventure around the world of FFA in the first ever "Wisconsin FFA AGmazing Race!" Bring your competitive spirit as we explore the basics of FFA in a mad dash to the finish line.

### **Reaching the Summit**

**Rhylie Gough & Cole Hicken**

The summit can be big, scary, and sometimes viewed as unattainable. In this workshop we will offer students the resources to set more achievable objectives that build together to reach whatever our long-term goals may be.

### **Choosing Our Route**

**Jeremiah Ihm & Heidi Strey**

In this workshop, we will learn about what a Supervised Agricultural Experience (SAE) is. Choosing an SAE or "route" can be the most important aspect of our FFA journey. We will explore different SAE routes and help everyone find a beginning to their journey.

### **The Perfect Adventure Attire**

**Kendra Goplin & Ben Styer**

During our FFA Adventure we need to make sure we are dressed for success. During our time together we will learn the parts of FFA Official Dress and how to wear it along with some important etiquette reminders.
