Re: 2023 Wisconsin FFA Day of Service Registration

Hello Wisconsin FFA Advisors!

We hope that you can join us for this year's **Day of Service on Monday, June 12th at the State FFA Convention!** There are two off-site locations and two shifts on location at Alliant Energy Center. Please complete this google form for each participant that would like to volunteer! All volunteers will receive a t-shirt and will be instructed on what to bring and wear once their site is selected. All participants will also need to complete a waiver and bring it to convention. I will email the waiver once you are confirmed.

Sites:

Goodman Community Center 1:30-4:30 pm The volunteers will help in many areas of our organization: sorting items in our food pantry, sprucing up our classrooms before summer camp starts, working on our groups with weeding and mulching, assisting with our meals on wheels program prep. (25 spots available)

UW- Arboretum 1:30-4:30 pm The volunteers will be working with the horticultural team to tend the woody plants in the Longenecker Horticultural Gardens. They will spend time pulling weeds and spreading mulch around trees and shrubs. (20 spots available)

Sleep in Heavenly Peace 2:00-4:00 pm Our volunteers will be helping build beds for children at Alliant Energy Center. (50 spots available)

Sleep in Heavenly Peace 4:00-6:00pm Our volunteers will be helping build beds for children at Alliant Energy Center. (50 spots available)

I will need two chapters to help with transportation to the off-site locations. Please email me at bjrieth@uwalumni.com if you are able to help with that!

This form is just to let me know your interest- but your spot is not confirmed until I send you a follow up email including the waiver.
