

# Wisconsin Association of FFA State FFA Honors Band General Information DUE – February 12, 2020

The State FFA Honors Band consists of about sixty to eighty musicians which rehearse and perform at both the State FFA Convention and the Wisconsin State Fair. These members are selected through an application and a recorded audition reviewed by the State FFA Honors Band director. No FFA member will be allowed to participate in the State FFA Honors Band for more than a total of five (5) years. Band members must provide their own instruments and music stands for the various performances. Notifications will take place of acceptance the first week of May or earlier. State Band pins will be awarded to each band member following the last performance at State Fair.

Applications should be submitted only by those who will be available at these MANDATORY FFA Honors Band functions. These functions include the following:

1. **State FFA Convention:** In June, the State FFA Convention is held in the Exhibition Hall of the Alliant Energy Center of Dane County in Madison.
  - a. Local chapters are responsible for housing and covering expenses of members participating in the band.
  - b. No special housing arrangements are made for band members.
2. **Wisconsin State Fair:** In August, the band performs at the Wisconsin State Fair in West Allis, Wisconsin.
  - a. Participants will be housed and provided meals in the State Fair dormitory located on State Fair grounds.
  - b. Each member will be charged \$50 for lodging, meals and admission at the Fair. (The State FFA Association will cover the balance of the expenses for the above items.) This amount will need to be paid by June 1 to confirm participation.
  - c. Entry forms **will be** filled out prior to the State FFA Convention and submitted to the Wisconsin FFA Center by June 1. The State FFA Executive Director will officially enter members as participants of the State Fair.

FFA members who apply for State FFA Honors Band are expected to totally fulfill their commitment if selected. Only extenuating circumstances should prevent an applicant from participating. It shall be the responsibility of the FFA Honors Band member and local FFA Advisor to notify the State FFA Honors Band Director and the Wisconsin FFA Center if difficulties arise.

Every band member should recognize the need for commitment, if the total group is to meet its potential. Complete responsibility to the other members is a must. If the applicant is not reasonably certain as to their availability, they should not apply.
