Financial Report – Cheryl
242 chapters have paid their 2007-08 chapter affiliation fee out of a possible 250 as of January 4, 2008

Motion to approve the Financial Report moved by Whalen second by Johnson. Motion passed.

It was noted in the financial report that the line item for the “summer hired help” that the November 2006 line item should read $2,600 instead of $2,500.

Cheryl asked the group if they felt it would be appropriate to request a formal audit of the books now that we have a new accountant that has taken over our account with Data Flow. Cheryl is not concerned per se about things, but with a new accountant it might be a good idea to make sure all is in place if the Board feels this is necessary. It is just been about 10 years since a formal audit has been done. We will discuss this further in July and see if we want to consider this idea. It was suggested to research the cost of an audit. Cheryl will check to see what the costs would be of having a formal audit performed.

FFA Center Operations and Activities – Cheryl
With the holidays, NAAE Convention, two task force meetings and State Officer meetings Cheryl has only been in the office about 2.5 weeks since our last meeting at MFE. Cheryl attended a Task Force meeting about a potential National FFA Affiliation Fee. The other meeting she attended was in regards to MFE/ALD/EDGE. Speaking contests are coming up. Degrees and proficiencies are approaching. State convention planning has begun. Cheryl is developing the program for a school administrator’s luncheon at the State FFA Convention this year. We need to find new contest managers and helpers for different areas at the convention. The state officer goal for the year is 19,000 members.

Office Assistant Position – Cheryl
Terry has been out of the office due to surgery however they were able to cover without having to hire any extra help during her absence. Terry is still not 100% but is back in the office part-time and is going well. It was decided to delay action regarding the office assistant’s salary until the July meeting.

Summer Assistant and Contracted Services – Cheryl
The position for summer assistant has been posted. Andrea, the assistant from last year, has also
been contacted to see if she would be interested in returning. The contracted services are paid by funds that are distributed through DPI. No objections to the current plans for contracted services.

**FFA Center Equipment** - Projector – Cheryl
Cheryl would like to consider the purchase of a LCD projector as it has become a necessity as she is using it more with state officer training and other presentations that she has to make. She is going to borrow WAAE’s and try it. We will discuss at the next meeting.

**FFA Chapter Affiliation Fee** for FY 2008-09
Current affiliation fee is $300. Moved by Ehrenberg and seconded by Laatsch to leave the affiliation fee at $300 for FY 08-09. Motion passed.

**Review FFA Center Board Terms and Positions for Election**
Mike Olson’s term is up in June  
Tari Costello’s term is up in June

Elections are held at the PDC for a three year term and the first meeting with new officers is held at the Fall MFE/ALD.

**Checking & Financial**
Motion to change the check signing process from two signature lines to one signature line was move by Laatsch. Seconded by Olson. Discussed the transition between Dick to Bridgett for purposes of financial arrangements for the transition. Currently checks are double-signed by Dick Aide and Cheryl. Motion Passed.
