It was moved to approve the November minutes by Linda Sattler, seconded by Troy Talford. Motion passed.

At the last meeting it was moved to table the item of business relating to the budget. There was a question on the pay for the summer assistant. The amount paid last year was $3,000. Cheryl put $4,000 into the budget for the intern salary for this year. Cheryl added in the new copier expense to the budget that will be on a maintenance contract. It was moved to take from the table the motion to approve the 2014-2015 proposed budget. Seconded by Brian Kast. Motion passed. It was moved to approve the budget as presented by Brian Kast. Seconded by Troy Talford. Motion passed.

Shari noted that in the future we will be looking to do the budget a year ahead of time. So this next year we will be approving two years of budgets. After that it will be one year at a time. The reasoning is that currently we are approving the budget after the year has started. In the future the budgets will be approved ahead of time.

**Bylaws** - A copy of the suggested bylaw changes were included in each member’s packet. Shari reviewed the bylaw suggestions that the committee made up of Shari, Bridgett, Brian, and Kristin. One change that was suggested was to add a board position of Past Chair to the Center Board. The other question that was brought up was regarding term limits for serving on the board. It was decided to go with a three term limit. It was also discussed to have the option to allow substitutes to replace board meetings if they are unable to attend. It was suggested to research what other boards do in this situation. It was suggested to maybe have an alternate board elected each year to fill in. In the contracts section to have that Contracts “may” be reviewed instead of “will be”. Change the line regarding bonding instead of saying amount of annual operating budget to something more in line with amount of cash on hand. In Article XII there is a suggestion for changing the budget cycle dates also change to say June 30 or end of PDC.

**Policy & Procedure Document**

A copy of the proposed FFA Center Policies document was included in each member’s packet for review. The committee will meet again to review overlaps of things that are also in the bylaws as well as including some items that are not included. The group will revisit this again and come back with a recommendation to the board. This document also discusses conducting a formal audit every five years. The committee will discuss keeping the audit line.

**Updating Computer Software** – Cheryl hasn’t had a chance to look into this yet. Jen Erb suggested that maybe Connie Peterson would come over and help to set up some computer software and provide some training as well.

**Copier** - The new copier is installed and the new copier is two cents per copy for black and white and five cents per copy for color copies.

Cheryl has researched some options for some new phone and internet service and will continue to look at options. The issue with having separate emails for Cheryl and Terry could be addressed based on the new phone and internet. This would resolve of the concerns regarding privacy and email. This would also allow some potentially better emails for the state officers as well.
**Summer Assistant Position** is ready to be posted. A copy of the posting is included in each member’s packet. The salary will now be $4,000. The process has changed depending on the number of applicants. Cheryl would like to have the position filled and the person on board by March. Bridgett used to assist in the interviews when there were multiple candidates and would interested in participating in that process again.

The **GPR Contract** has been submitted and hopefully the check will be cut in the next few weeks.

**Job Description** committee has met but has not had an opportunity to meet with Cheryl yet.

**Staff evaluation tool.** The committee needs to finalize the job description before the evaluation tool can be finalized.

**New Business**

There are some large gaps in the meeting schedule. Shari suggested possibly adding a conference call in March/April and again July/August.

The Updated IRS Mileage rate is now .575 cents effective January 1st.
