

Wisconsin FFA Agriscience Fair Judges Rubric (Interview 7-12)

Name: _____ Chapter: _____

Category: AS ES FPS PS PST SS Division: 1 2 3 4 5 6

Knowledge Gained Score = 15 points _____	Advanced 15-13	Very Proficient 12-9	Proficient 8-4	Developing 3-1	Need to Include 0
1) Research increased scientific skills and knowledge 2) Researcher grasps impact of their problem 3) Researcher well aware of limitations research caused					
Scientific Research Score = 30 points _____	Advanced 30-23	Very Proficient 22-15	Proficient 14-8	Developing 7-1	Need to Include 0
1) Has the question been clearly stated and clearly explains their approach to the scientific method 2) Clear understanding of methodology and why they developed the protocol they did 3) Understands variables and how to control them 4) Has a plan to where the research can go from here 5) Is the hypothesis in the If, Then, Because format?					
Collaboration Score = 15 points _____	Advanced 15-13	Very Proficient 12-9	Proficient 8-4	Developing 3-1	Need to Include 0
1) Researcher clearly identifies work done by others or portions used that were the work of others (including peers, teachers, specialists in their field of study). 2) Discussed tie of others work to their own. 3) For Team Projects only: (worth 10 of the 15 points) Partner to Partner collaboration					
Thoroughness Score = 30 points _____	Advanced 30-23	Very Proficient 22-15	Proficient 14-8	Developing 7-1	Need to Include 0
1) Researcher clearly communicates original plan and changes made along the way. 2) Has at least three data sets for each trial. 3) Repetition of research (completing entire experiment more than once) is preferred. 4) Have the facts, principles, & results been reported accurately?					

Wisconsin FFA Agriscience Fair Judges Rubric (Interview 7-12)

Results/Conclusion Score = 15 points _____	Advanced 15-13	Very Proficient 12-9	Proficient 8-4	Developing 3-1	Need to Include 0
1)Researcher clearly shares what was learned. 2)Researcher communicates their results that leads directly to their conclusion 3)Shares impact their research can have 4)Data is interpreted accurately					
Visual Display Score = 15 points _____	Advanced 15-13	Very Proficient 12-9	Proficient 8-4	Developing 3-1	Need to Include 0
1) Entry Info in upper right corner 2)Size (30" Deep/48" Wide/36" High) 3)Exhibit demonstrate a professional neatness & attractiveness 4)Captions with Photos 5)Minimum 16 pt. size /Easy To Follow Style 6)Spelling/Capitalization Correct 7)Includes: Problem; Hypothesis; Materials; Procedure; Results (Data charts/graphs); Conclusion; Variables; Abstract/Summary					

Total Points: _____ out of 120

Possible Ranking: (Circle one)

Awesome: Should be considered for Nationals

Great Start, Keep working

Good Start, use rubrics and comments to improve for next year

Need to Complete Project

COMMENTS:
