

Words of wisdom from officers and members !!!!

Ashley Schiferl—President

It is always said the greatest things come from hard work and dedication. The same is true for FFA. You will only get out of it what you put in, so give it 110% and lets have a great year!

Dani—"Don't let failing keep you from trying again!"

Kelly—"Never look back and say—I wish I would have" - DO IT!

Blake—"Don't let the stereotype of FFA turn you away."

Kayla ~ "Get involved, be active and FFA will take you places!"

Connor— "Get involved and have fun. The more stuff you do with the FFA the more fun you will have and the more you will learn."

Katie B~ "Going to Puerto Rico was one of the most memorable experiences FFA has given me"

Why

Why should you join the FFA?

There is so much that the FFA offers. The FFA goes on a lot of trips throughout the school year. We participate in many different Judging Contests (CDE's). There are speaking contests that you can be part of, and you also have the choice of being a committee chairman or officer where you have the chance to lead different activities. You can become an FFA officer and go to an officer retreat in the summer. You can be involved with everything even if you are not an officer. Being in FFA is a lot of fun because you can do so many different things. FFA members learn many different skills, while having fun at the same time.
