**Hotel/KI Center Covid 19 Protocol/Procedures: (If there is a state or county mandated shut down, meal refunds will be provided and we would still go ahead virtually.)**

-All staff enter the hotel through an entrance that has been designated for temperature checks. If anyone has a temperature of 100.4 or higher, they are not allowed to enter the building.

-All employees in the hotel are required to wear face masks at all times.

-When serving food, the serving team will be wearing masks and gloves.

-Any food items that they serve are covered, wrapped or individually packaged. They are serving fully plated meals and there is no preplate items.

-Water stations with disposable cups and napkins with signs to use napkins when dispersing water.

-All beverages are served in disposable cups.

-Tables arranged for social distancing.

-Meeting room tables and chairs, public areas and sleeping rooms are treated with a system call PureChem which eliminates 99.997% of bacteria and viruses. PureChem is non-toxic and non-hazardous. They are sprayed after each use.

-They have hand sanitizers throughout the meeting space and hotel.

-They are a GBAC STAR Accredited Facility. (Global Bio-risk Advisory Council)

-Full Capacity is 3600, so 25 % is 900. We have the whole facility booked.
